JOE'S RUN, WALK AND ROLL

Founded in 1975 by Joe Lubarsky as a sit up contest at his home, this event has blossomed over decades into a fully-accessible, competitive 5k where participants can run, walk, or roll their way to the finish line!

This family-focused event also event features inclusive activities including outdoor games, raffles, and lunch -- all which help to raise awareness and funds for people living with disabilities and their families.

Proceeds from this event benefit Broadscope Disability Services' Respite Care, Independent Living, and Employment Services programs.

Joe Lubarsky lives with Cerebral Palsy, and is a champion for all people with disabilities. We hope you will join us in honoring him and his efforts by joining us as a sponsor for this event.
