DISABILITY SERVICES

For over 50 years, Broadscope Disability Services has been advancing opportunities for individuals with disabilities and their families.

We support over 1000 individuals annually, by fostering inclusion and empowering freedom of choice through our Respite Care, Employment Services and Independent Living programs.

TASTE OF MILWAUKEE

After being virtual for several years, we are thrilled to bring the 41st Taste of Milwaukee back to an in-person event! Taste of Milwaukee is Milwaukee's premier charity flavor showcase event. Over 20 restaurants unite to represent the best the City has to offer serving up their specialty dish to more than 250 foodies, business leaders and other supporters. Held at the Italian Community Center, this event promises an amazing evening of delicious food tasting, networking and entertainment. Proceeds from TASTE OF MILWAUKEE® benefit the people and families of Broadscope Disability Services' Independent Living, Employment, and Respite Care programs.

We hope you will invest in our mission of advancing opportunities for individuals with disabilities by joining us a sponsor.
