DISABILITY SERVICES

For over 50 years, Broadscope Disability Services has been advancing opportunities for individuals with disabilities and their families.

We support over 1000 individuals annually, by fostering inclusion and empowering freedom of choice through our Respite Care, Employment Services and Independent Living programs.

TASTE
OF
MILWAUKEE

We are thrilled to announce the 42nd Taste of Milwaukee! Taste of Milwaukee is Milwaukee's premier charity flavor showcase event. Milwaukee's top restaurants unite to represent the best the City has to offer serving up their specialty dish to more than 250 foodies, business leaders and other supporters. Held at the Marcus Performing Arts Center, this event promises an amazing evening of delicious food tasting, networking and entertainment. Proceeds from TASTE OF MILWAUKEE® benefit the people served by Broadscope Disability Services' Independent Living, Employment, and Respite Care programs.

We hope you will invest in our mission of advancing opportunities for individuals with disabilities by joining us a sponsor.
