Board of Directors Broadscope Disability Services, Inc. Greenfield, Wisconsin

# Report on the Audit of the Financial Statements

#### **Opinion**

We have audited the accompanying financial statements of Broadscope Disability Services, Inc. (a nonprofit organization) ("Organization"), which comprise the statement of financial position as of December 31, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Organization as of December 31, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

# **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

# Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

#### Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

# Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of revenues and expenses by program – without donor restriction on page 25, schedule of federal and state awards and fee-for-service contracts on page 20 and the supplemental information on page 26, as required by the Wisconsin DHS Audit Guide and Milwaukee County, are presented for purposes of additional analysis, and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

# Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated May 6, 2024 on our consideration of Broadscope Disability Services, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Broadscope Disability Services, Inc.'s internal control over financial reporting and compliance.

# Report on Summarized Comparative Information

Reilly, Penner & Benton LLP

We have previously audited the Broadscope Disability Services, Inc.'s financial statements, and we expressed an unmodified opinion on those financial statements in our report dated April 14, 2023. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2022 is consistent, in all material respects, with the audited financial statements from which it has been derived.

#### **Notes to Financial Statements**

December 31, 2023 and 2022

# 1. Summary of Significant Accounting Policies

#### **Nature of Activities**

Broadscope Disability Services, Inc. ("Organization") is a not-for-profit corporation whose mission is to advance opportunities for people with disabilities and their families. The Organization serves people with a broad scope of disabilities and their families by fostering inclusion and empowering freedom of choice. We envision a world where people with disabilities and their families have the same opportunities as everyone else. The Organization fulfills its mission by focusing efforts in the following primary areas:

**Respite Care Coordination** – Respite care coordination is a service that provides a break for people who are caring for an individual or child with a disability. The Organization distributes funding for in-home respite care at an hourly, overnight or multiple-day basis.

**Employment Services** – Employment services assists adults with diverse abilities to secure and retain competitive employment. The Organization partners with businesses in the community to expand job opportunities, empower productivity and advance independence.

**Independent Living Services** – Independent living provides a broad scope of individualized services for adults with disabilities, to create opportunities for a successful life in the community. The Organization provides life skills education, community integration and budgeting and financial management assistance.

**Representative Payee** – The Organization's Representative Payees manage the assets and benefits of individuals with disabilities who have been deemed unable to manage them on their own.

#### **Basis of Accounting**

The Organization follows the accrual basis of accounting, wherein public support, revenues and expenses are reflected in the period earned or incurred.

# **Basis of Presentation**

Financial statement presentation follows accounting principles generally accepted in the United States of America ("U.S. GAAP"). Under these principles, the Organization is required to report information regarding its financial position and activities according to classes of net assets as follows:

**Net assets without donor restrictions** – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

**Net assets with donor restrictions** – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resource be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. The Organization does not have any restrictions that are required to be held in perpetuity.

#### **Notes to Financial Statements**

December 31, 2023 and 2022 (Continued)

# 1. Summary of Significant Accounting Policies (Continued)

#### Use of Estimates

The preparation of the accompanying financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that directly affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenue and expenses during the reporting period. Actual results may differ from these estimates.

## **Cash and Equivalents**

For purposes of the statement of cash flows, the Organization considers all highly liquid investments with an original maturity of three months or less to be cash and equivalents, excluding money market funds held as investments.

#### Investments

The Organization carries investments in marketable securities with readily determinable fair values and all investments in debt securities at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets in the accompanying statement of activities.

U.S. GAAP defines fair value, establishes a framework for measuring fair value and expands disclosures about fair value measurements. U.S. GAAP clarifies that the exchange price is the price in an orderly transaction between market participants to sell an asset or transfer a liability at the measurement date. U.S. GAAP emphasizes that fair value is a market-based measurement and not an entity-specific measurement. U.S. GAAP establishes a hierarchy that prioritizes the inputs for measuring fair value. Those inputs are summarized as follows:

**Level 1** – Quoted prices in active markets, e.g. NYSE, NASDAQ, etc. for assets identical to the securities to be valued. If a Level 1 input is available, it must be used.

**Level 2** – Inputs other than quoted prices that are observable for securities, either directly or indirectly. Examples include matrix pricing utilizing yield curves, prepayment speeds, credit risks, etc.; quoted prices for similar assets in active markets; and inputs derived from observable market data by correlation or other means.

**Level 3** – Unobservable inputs, which contain assumptions by the party valuing those assets. For level 3 inputs, there is no market data or correlations with market assumptions. Examples would include limited partnership interests, closely held stock, etc.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Organization are open-end mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Organization are deemed to be actively traded.

Held in Trust: Valued at the net asset value provided by the Trustee for investments held in the trust at year-end.

#### Trade Receivables and Allowance for Credit Losses

Trade receivables are recorded at contract value.

The Organization estimates expected credit losses on trade receivables based on historical credit loss experience, current economic conditions, and reasonable and supportable forecasts that affect the collectability of the trade receivables. The Organization has determined that no allowance for credit loss on trade receivables is necessary for the years ending December 31, 2023 and 2022, based on management's review of outstanding receivables, historical collection information, and existing economic conditions.

The credit risk profile of trade receivables is categorized based on credit quality indicators. The Organization uses this information to determine appropriate allowances for expected credit losses. The determination of expected credit losses involves significant judgments and estimates. Changes in economic conditions or customer payment behavior may impact the allowance for credit losses.

The Organization writes off receivables when there is information that indicates the debtor is facing significant financial difficulty and there is no possibility of recovery. If any recoveries are made from any accounts previously written off, they will be recognized in income or an offset to credit loss expense in the year of recovery, in accordance with the Organization's accounting policy election. No receivables were written off for the years ending December 31, 2023 and 2022.

The Organization had trade receivable balances as follows:

	January 1, 2022	_	<b>December 31, 2022</b>	_	<b>December 31, 2023</b>
Trade Receivables	\$ 440,817	\$	460,903	\$	559,869

# **Property and Equipment**

The Organization capitalizes all expenditures in excess of \$5,000 for property and equipment at cost if purchased or fair value at date of the gift if donated. Maintenance, repairs and minor improvements are expensed as incurred. When assets are retired or otherwise disposed of, their costs and related accumulated depreciation are removed from the accounts and resulting gains or losses are included in income.

Donated property and equipment are recorded as increases in net assets without donor restrictions at their estimated fair market value as of the date received. Contributions of cash that must be used to acquire property and equipment are reported as net assets with donor restrictions. The Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies net assets with donor restrictions to net assets without donor restrictions at that time.

Property and equipment are depreciated using the straight-line method over their estimated useful lives.

# Impairment of Long-Lived Assets

The Organization reviews long-lived assets, including property and equipment and intangible assets, for impairment whenever events or changes in business circumstances indicate that the carrying amount of an asset may not be fully recoverable. An impairment loss would be recognized when the estimated future cash flows from the use of the asset are less than the carrying amount of that asset. To date, there have been no such losses.

# 1. Summary of Significant Accounting Policies (Continued)

#### **Deferred Revenue**

Deferred revenue represents advance payments received on exchange transactions. Revenue will be recognized over the periods to which conditions are substantially met.

The Organization had trade receivable balances as follows:

	January 1, 2022	<b>December 31, 2022</b>	<b>December 31, 2023</b>
Deferred Revenue	\$ 400	\$ 13,250	\$ 1,500

# **Revenue Recognition**

The Organization recognizes revenue based on the existence or absence of an exchange transaction. The Organization recognizes revenue from exchange transactions when it satisfies a performance obligation by providing a service to a customer or member or by transferring control over a product to a customer or member.

Revenue from performance obligations satisfied at a point in time consists of the following:

• Fee for service contracts, private pay and fiscal agent fee revenue – recognized as performance obligations are met

Revenue from non-exchange transactions consist of the following:

- Contributions of cash and promises to give gifts received without donor stipulations are reported as revenue and net assets without donor restrictions. Gifts received with a donor stipulation that limits their use are reported as revenue and net assets with donor restrictions. When a donor-stipulated time restriction ends, or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Contributions that are originally restricted by the donor and for which the restriction is met in the same time period are recorded as revenue and net assets without donor restriction. Conditional promises are not recognized until they become unconditional, that is when the conditions on which they depend are substantially met.
- **Federal and state contracts** Federal and state contracts are conditional upon the incurrence of allowable qualifying expenses. Revenue is recorded as allowable qualifying expenses are incurred.
- **Contributed nonfinancial assets** recognized either when the Organization provides donated goods to members or when a gift of in-kind service is performed on behalf of the Organization

Revenue that has characteristics of both exchange and non-exchange transactions consist of the following:

• **Special event revenue** – recognized equal to the cost of direct benefits to donors, and contribution revenue for the difference. Contributions from the Organization's special events are included on the contributions line in the statement of activities. Total contributions from the special events were \$128,423 and \$95,901 for the years ended December 31, 2023 and 2022, respectively.

# 1. Summary of Significant Accounting Policies (Continued)

#### **Donated Goods and Services**

Donated goods and services meeting recognition criteria under U.S. GAAP are recorded as support and as expense, based on estimated fair values. The Organization does not monetize any contributed nonfinancial assets and unless otherwise noted, contributed nonfinancial assets did not have donor restrictions.

#### **Functional Allocation of Expenses**

The costs of program and supporting services activities have been summarized on the functional basis in the statement of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Accordingly, salaries and related expenses are allocated to functional activities based on the time spent in each area. Expenses specifically identifiable with an activity are charged to that activity. Other expenses not specifically identifiable with functions are allocated to functional activities using percentages based on actual experience.

#### Leases

The Organization determines if an arrangement is a lease at inception. Operating leases are classified as operating lease right-of-use (ROU) assets and current operating lease liabilities on the Organization's statements of financial position. Finance leases are included in finance lease right of use assets, finance lease liabilities, and finance lease liability, net of current portion on the Organization's statements of financial position.

ROU assets represent the Organization's right to use an underlying asset for the lease term and lease liabilities represent the Organization's obligation to make lease payments arising from the lease. Operating lease ROU assets and liabilities are recognized at commencement date based on the present value of lease payments over the lease term. The operating lease ROU asset also includes any lease payments made and excludes lease incentives. The Organization's lease terms may include options to extend or terminate the lease when it is reasonably certain that the Organization will exercise that option. Lease expense for lease payments is recognized on a straight-line basis over the lease term.

The Organization has elected the short-term lease exemption for all leases with a term of 12 months or less for both existing and ongoing leases to not recognize the asset and liability for these leases. Lease payments for short-term leases are recognized on a short-term basis.

The weighted-average discount rate is based on the discount rate implicit in the lease. The Organization has elected the option to use the risk-free rate determined using a period comparable to the lease terms as the discount rate for leases where the implicit rate is not readily determinable. The Organization has applied the risk-free rate option to its leases.

The lease agreements do not contain any material residual value guarantees or material restrictive covenants.

#### **Income Taxes**

The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. In addition, the Organization was incorporated under the nonprofit statutes of the State of Wisconsin and is not liable for Wisconsin income tax. Accordingly, no provision for income taxes has been provided.

The Organization has implemented accounting for uncertainty in income taxes in accordance with U.S. GAAP. This standard prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return and also provides guidance on various related matters such as derecognizing, interest, penalties and disclosures required. The Organization recognizes interest and penalties, if any, related to unrecognized tax benefits in income tax expense.

In management's opinion, the Organization has not taken any uncertain tax positions, and accordingly, has not reported a corresponding liability in the financial statements.

## **Comparative Financial Information**

The accompanying financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with U.S. GAAP. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended December 31, 2022, from which the summarized information was derived.

# Recently Adopted Accounting Guidance - Allowance for Credit Losses

In June 2016, the FASB issued guidance FASB ASC 326, *Financial Instruments – Credit Losses* (FASB ASC 326) which significantly changed how entities measure credit losses for most financial assets and certain other instruments that aren't measured at fair value through net income. The most significant change in this standard is a shift from the incurred loss model to the expected loss model, that is referred to as the current expected credit loss ("CECL") methodology. Under the standard, disclosures are required to provide users of the financial statements with useful information in analyzing an entity's exposure to credit risk and the measurement of credit losses. The Organization has implemented the standard using the modified retrospective approach and has elected the practical expedient to not adjust the comparative periods presented in the financial statements. Financial assets held by the Organization that are subject to the guidance in FASB ASC 326 were trade accounts receivable.

The Organization adopted the standard effective January 1, 2023. The impact of the adoption was not considered material to the financial statements and primarily resulted in new/enhanced disclosures only.

#### **Subsequent Events**

Management has evaluated subsequent events for possible recognition or disclosure through the date the financial statements were available to be distributed (May 6, 2024). There were no subsequent events that required disclosure.

#### 2. Liquidity and Availability

The following table reflects the Organization's financial assets, reduced by amounts that are not available to meet general expenditures and current contractual obligations within one year of the statement of financial position date because of contractual restrictions, certain donor restrictions, or internal board designations at December 31:

# 2. Liquidity and Availability (Continued)

In addition to financial assets available to meet general expenditures over the next 12 months, the Organization operates with a balanced budget and anticipates collecting sufficient revenue to cover general expenditures not covered by donor-restricted resources. Refer to the statement of cash flows which identifies the sources and uses of the Organization's cash, and shows positive cash generated by operations for the years ended December 31, 2023 and 2022. The Organization also has a line of credit available to meet immediate cash needs. See Note 7 for information on the line of credit.

#### 4. Greater Milwaukee Foundation Fund

U.S. GAAP requires that if a community foundation accepts a contribution from an Agency and agrees to transfer those assets, the return on investment of those assets or both back to the Agency, then these contributions are presented as a liability (instead of as a net asset) on the financial statements of the community foundation and as an asset on the financial statements of the donor. As a result, assets transferred by the Organization to the Greater Milwaukee Foundation, a community foundation, for which the Organization, as donor, is the beneficiary of the transferred assets, have been reflected on the Organization's statement of financial position as an asset entitled "Greater Milwaukee Foundation - Investments." The Board of Trustees of the Greater Milwaukee Foundation shall have the power to modify any restriction or condition on the distribution of funds for any specified charitable purpose or to a specified organization if, in the sole judgment of the Board, such restriction or condition becomes, in effect, unnecessary, incapable of fulfillment, or inconsistent with the charitable needs of the community served.

The Organization closed their Greater Milwaukee Foundation fund during the year ended December 31, 2023.

# 5. Property and Equipment

Property and equipment is comprised of the following for the years ended December 31:

	<u>2023</u>		<u>2022</u>
Equipment Less: Accumulated depreciation	\$ 35,673 (31,835)	\$	35,673 (29,712)
Total	\$ 3,838	\$_	5,961

Depreciation expense for the years ended December 31, 2023 and 2022 was \$2,124 and \$2,123, respectively.

#### 6. Leases

The Organization has an operating lease for office space in Greenfield, Wisconsin. The lease runs through June 30, 2025, with fixed monthly payments which increase each year. The Organization had a finance lease for a copy machine that ran through June 2023. A new finance lease for a copy machine was signed during 2023 and runs through May 2026. As of December 31, 2023 and 2022 the right of use asset recorded under the finance lease was \$2,957 and \$824, respectively and accumulated amortization associated with the finance lease was \$714 and \$1,236, respectively.

In the statement of functional expenses, operating office lease expenses is included in the occupancy line and copier finance lease expense is included in equipment rental and maintenance. The components of lease expense are as follows:

	<u> 2023</u>
Operating lease cost	\$ 51,738
Finance lease cost:	
Amortization on right-of-use assets	1,228
Interest on lease liabilities	 77

Total future minimum lease payments Less imputed interest Total	\$ 79,290 (910) 78,380	\$ 3,132 (141) 2,991

#### 7. Line of Credit

The Organization maintains a line of credit of \$300,000 with Associated Bank bearing interest at 1.100 percentage points over the prime rate published in The Wall Street Journal. At December 31, 2023, the line had an outstanding balance of \$50,000 and an interest rate of 9.60%. At December 31, 2022, there was no balance outstanding. Interest expense for the years ended December 31, 2023 and 2022 amounted to \$10,129 and \$0, respectively. The line of credit was secured by the assets of the Organization and expires January 23, 2028.

#### 8. Concentration of Credit Risk

Financial instruments which potentially subject the Organization to a concentration of credit risks include cash and equity securities. The Organization places its cash and deposits with credit-worthy, high-quality financial institutions and attempts to keep its various accounts under FDIC limits at all times.

#### 9. Retirement Plan

Effective October 2022, the Organization amended their 401(k) retirement plan with an incentive match of 50% for each employee dollar contributed up to 6% of pay. The plan is available to all employees over 21 years of age on their first day of employment.

Prior to the amendment, the Organization offered a 401(k) retirement plan with an incentive match of 50% for each employee dollar contributed up to 4% of pay. The plan had a six-year graded vesting schedule. The plan is available to all employees over 21 years of age who have been employed for at least six months.

Employer contributions for 2023 and 2022 were \$12,860 and \$9,505, respectively.

#### 10. Contributed Nonfinancial Assets

Contributed nonfinancial assets of goods and services are recorded as revenue and expenses at their fair value. Contributed services are reported in the financial statements for voluntary donations of professional services when those services create or enhance nonfinancial assets or require specialized skills, are provided by individuals possessing those skills, and typically would be purchased if not provided by donation. The amounts reflected in the accompanying financial statements as contributed nonfinancial assets are offset by like amounts included as contributed nonfinancial asset expense. The statement of activities includes the following contributed nonfinancial services recognized by category for the years ended December 31:

Donor

<u>Type</u>	2023	2022	<b>Utilization in Activities</b>	Restrictions
Donated goods	\$ 	\$ 12,400	Fundraising	None
Printing services		4,670	Fundraising	None
Accounting services		5,000	Respite	None
Legal services	1,818		Fundraising	None
Total	\$ 1,818	\$ 22,070	· ·	

The Organization used the following valuation techniques and inputs to recognize contributed nonfinancial assets:

**Accounting, Legal and printing services** – Valued at the estimated fair value based on retail rates for similar services.

**Donated goods** – Valued at the estimated fair value based on retail rates for similar items.

In addition, many individuals volunteer their time and perform a variety of tasks that assist the Organization in the furtherance of its exempt purpose. The values of these services are not recorded in the financial statements.

#### 11. Net Assets with Donor Restrictions

The following schedule summarizes activity and balances related to net assets with donor restrictions, and the purposes to which they are restricted:

		Restricted Balance 01/01/23	Current Period Contributions	Expended or Released	Restricted Balance 12/31/23

#### 12. Concentrations

Approximately 69% and 66% of the Organization's support for the years ended December 31, 2023 and 2022 came from the CLTS Waiver program, respectively.

#### 13. Contingencies

The Organization has received federal and state grants for specific purposes that are subject to review and audit by the grantor agencies. Such audits could lead to requests for reimbursements to the grantor agency for expenditures disallowed under terms of the grants. Management believes such disallowances, if any, would be immaterial.

#### 14. Reclassifications

Certain reclassifications have been made to the 2022 financial statement presentation to correspond to the current year's format. Net assets and changes in net assets are unchanged due to these reclassifications.

# INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS AND THE WISCONSIN DHS AUDIT GUIDE

Board of Directors Broadscope Disability Services, Inc. Greenfield, Wisconsin

We have audited, in accordance with the auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, and the *Wisconsin DHS Audit Guide*, the financial statements of Broadscope Disability Services, Inc. ("the Organization"), which comprise the statement of financial position as of December 31, 2023, and the related statement of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated May 6, 2024.

# **Report on Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

# **Report on Compliance and Other Matters**

Railly, Penner & Benton LLP

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* or the *Wisconsin DHS Audit Guide*.

# **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* and the Wisconsin DHS Audit Guide in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
