Community Outreach Event **Let's Get to Work!**

Through partnership with Milwaukee County and an exciting new Employment Initiative Program, Broadscope Employment is happy to announce an upcoming Community Outreach Event.

Please join us for light refreshments and chance to explore many employment related services, resources and opportunities for job seekers affected by disability related issues (ages 14-24)

Both individualized and group activities will be offered and include:

Career Exploration

Resume Preparation Assistance

Direct Job Search

Skill Assessment

Connection to Community Resources

Interview Skills

Mock interviews

Peer Mentoring

Registration is required. For more information and to register, please contact:
